

Business Loan Protection with Overhead Expense Insurance

Protect Yourself and Your Business

As an owner of a small- to medium-sized business, chances are you've needed to take out a loan to grow your business. But, what if you became too sick or hurt to work? How would you continue to make loan payments?

Principal Life Insurance Company offers a unique rider that helps make those payments and keep your business open during an unexpected disability. Adding the Business Loan Protection rider to an Overhead Expense insurance policy gives you more comprehensive protection for your business.¹

Benefits to your business

Protecting your ability to make loan payments in the event of a total disability:

- May help secure a loan from a financial institution, since it shows your ability to pay back the loan in the event of a disability
- Helps keep the business open and operating – helping retain employees and customers
- Creates goodwill with customers, employees, creditors, lenders, shareholders and stakeholders that there is a “contingency” plan in the event of a total disability

About the Business Loan Protection rider

This rider (available for an additional cost) provides reimbursement coverage for a variety of business-related financial loan obligations, such as:

- Purchase of a practice or existing business
- Purchase of a large piece of equipment
- Expansion of the business or practice
- Facility renovations and improvements
- An increase in working capital or build up of inventory
- Purchase of a building or land

How your policy pays with this rider

The maximum monthly benefit Principal Life issues with this rider is based on the amount of your loan (up to a maximum benefit amount). Benefits are payable when you meet the policy's definition of a Total Disability and you satisfy the policy's claims requirements.

Once disabled under the terms of the policy, you must satisfy the rider's elimination period before being reimbursed for the loan obligation. You can also assign your benefits to the financial institution holding your loan and Principal Life will pay the benefits directly to it. Benefits are sent on the first loan payment date after the elimination period is satisfied and continue during Your Continuous Disability but not beyond the Business Loan Protection Date.

This rider offers guaranteed premium rates until you reach the Business Loan Protection Termination Date² and it cannot be conditionally renewed beyond the age 65 policy anniversary. Your premiums are waived after you've been disabled for 90 days. Principal Life refunds the premiums paid for coverage after the disability begins and continues to waive all premiums during your Continuous Disability.

FOR MORE INFORMATION

Contact your local representative.

¹ This rider offers guaranteed premium rates until you reach the Business Loan Protection Termination Date and it cannot be conditionally renewed beyond the age 65 policy anniversary.

² If you become Totally Disabled on the Business Loan Protection Termination Date, the Maximum Monthly Benefit is not paid for less than six months for Your Continuous Disability. If benefits are paid under this exception, any payment made after the Business Loan Protection Termination Date is paid to you.
